

SING TO LEARN!

An Interactive Musical Workshop for Primary Students

"A Lesson In Every Lyric"®

AIM

This Workshop will engage students in a highly interactive learning experience.

Students will SING and LEARN a selection of our catchy, original, CURRICULUM-BASED songs.

Not only will they enjoy singing and exploring musical concepts, but they will be learning important VALUES and CURRICULUM CONTENT - all at the same time!

The exciting part is that we will RECORD your students SINGING on a section of one of these songs that has been PERSONALISED lyrically, for your own school!

HOW IT WORKS

1) Liaise with us to create a workshop that is tailor made to suit the needs of your students:

- * Subject areas you would like covered
- * Time-frame required
- * Student demographic (a particular Grade; Song Club; whole school...)

2) From our Song List, select 5 songs you would like us to workshop with your students

3) Choose ONE of these selected songs to have PERSONALISED lyrically, for your school

4) Arrange a suitable time for us to workshop this music-making experience with your students

OVERVIEW

Each workshop will take approximately **1 ½ - 2 hours (negotiable)** and includes:

- 1) Unpacking the lyrics of the songs with a focus on Key Learning Areas
- 2) Warm-up and vocal exercises
- 3) Learning the songs
- 4) Learning actions to the songs, as well as some simple musical elements
- 5) Recording of students singing parts of your selected song

THE SCHOOL RECEIVES:

- 1) A set of three 'Integrated Curriculum in Song' Values-Based teaching resources (RRP \$149.95) as well as a 'Sing To Learn!' CD (RRP 19.95)
- 2) An Mp3 recording of the song for school use
